

INT. RISHI'S HOUSE - BEDROOM. NIGHT

The room is decorated in an urban fashion with flowers. KIRAN, a mid/late twenties East Indian woman is sitting on the bed, in a bridal dress. She is nervous and thoughtful.

RISHI, a late twenties East Indian man, wearing a wedding gown, enters the room. Kiran quickly covers her face with the *ghoongat*. Rishi seems a little surprised to see the setting of the room as a bridal room.

RISHI
Wow, yeh kamra to ek dum Sooraj
Barjatiya ki film ka set lag raha
hai.

He looks at Kiran who does not respond. She is sitting there like a typical Indian bride.

RISHI
Aur tum us film ki heroine lag rahi
ho !!

Kiran still does not respond. Rishi walks closer to the bed and sits near her. Rishi does not know how to go forward from here, so he continues with his stupid sense of humour.

RISHI
Main to shorts and t-shirt mein
aane wala tha, acha hua nahi aaya,
nahi to main out of place feel
karta !!

Kiran does not respond. Rishi makes a funny face, as even this one did not work.

RISHI
Lagta hai shaadi ke baad bad jokes
mein automatically PHD ho jaati
hai.

There is still no response from Kiran. Rishi continues.

RISHI
Is room mein bas ek dhoodh ke glass
ki kami hai, baaki sab perfect hai.

Kiran suddenly points towards a certain direction. Rishi looks there and finds a glass milk sitting on the table, like it's laughing at Rishi.

RISHI
Oh, my mistake !!

Kiran puts her arm down again.

RISHI
Chalo at least is mistake se ek
fayada to hua, yeh confirm ho gaya
ki tum statue nahi, insaan ho !!

Again there is no response from Kiran. Rishi notices Kiran's hand on the bed, thinks for a few moments, then carefully puts his hand on Kiran's hand. Kiran pulls her hand away with a jerk, which scares Rishi a bit.

RISHI
This is so awkward. Maine to kabhi
sapne mein bhi nahi socha tha ki
meri suhagraat itni filmi hogi. Tum
shaadi se pehle to aisi nahi thi.

Kiran suddenly pulls her *ghoonghat* off.

RISHI
Woh, that was sudden.

Kiran smiles.

KIRAN
Actually, is kamre ki setting
dehkar, I thought ki shayda tumhe
aise pasand ho.

RISHI
Well, usually movies mein aise
scene dehkar to main us film ka
mazza udata hoon, but somehow I was
enjoying it.

It seems like Rishi is upto something. Kiran looks at him in anticipation.

KIRAN
So .. ?

RISHI
This might sound a little crazy,
but do you want to do it?

KIRAN
What?

RISHI
You know .. Just for fun, we
pretend this to be .. Like a
typical 60s ki suhaag raat.

Kiran raises her eye brows, thinking.

RISHI
Maza aayega .. Come on.

Kiran puts her *ghoonghat* back and moves a little away from Rishi. Rishi seems a little lost on how to go forwards from here. He takes a little breath and smiles.

RISHI
Okay, let's do this.

Rishi prepares himself to get into the character. The expressions on his face change.

RISHI
Priyatamma, main bahut khushkismat
hoon ki tum meri jeevan sangini
bani !!

Kiran does not respond.

RISHI
Apna chand ka mukhda to dikhao !!

KIRAN
Uske liye to aapko muh dikhayi deni
padegi !!

Rishi is surprised. He suddenly gets out of the character.

RISHI
Muh dikhayi, what muh dikhayi??

Kiran is still in her character.

KIRAN
Dulhan ka chehra dekhne ke liye muh
dikhayi yo deni padti hai ..
Swami!!

Rishi gets back into the character.

RISHI
Tumhare liye to jaan bhi haazir hai
priyatamma, batao tumhe kya
chahiye?

KIRAN
Ek chhota sa heeron ka haar .. Bas

Rishi again gets out of the character.

RISHI

What ??

Rishi gets back into the character again.

RISHI

Err I mean, kyon nahi kyon nahi,
Kal laakar deta hoon tumhe.

KIRAN

Tu muh bhi kal hi dekh lijiye ka
swami.

Rishi gets out of his character again.

RISHI

Yaar, yeh achi game nahi hai. Bas,
time out !!

Kiran laughs a little and puts her *ghoonghat* up. Rishi is looking at her with a smile, he has a little naughtiness in his eyes. Kiran notices that and looks down.

RISHI

You are more playful than I
thought. Maza aayega ..

Kiran looks up.

RISHI

.. Tumhare saath life spend karne
mein.

Kiran smiles and looks down again. Rishi holds her hand. She does not pull it back this time.

RISHI

By the way, you are really
beautiful.

Kiran looks at Rishi softly and Rishi is looking at her.
